

# AAUW TECH TREK

## NEW MEXICO

### What is AAUW Tech Trek NM?

It's a week-long summer STEM camp June 16-22, 2024 for up to 60 7th grade girls like you from all over New Mexico who are curious and love science and exploring things.

### What will I do at Tech Trek?

You'll have FUN learning to do AMAZING things with INCREDIBLE girls like you from all over NM.

You'll get to attend a science, coding or engineering class for part of each day. Then you'll go on field trips, have hands-on workshops, or participate in other activities.

AND you'll make new friends.

### Where is Tech Trek held?

On the campus of New Mexico Tech in Socorro, NM.

<https://www.nmt.edu/>

### Where will I stay at Tech Trek?

You'll stay in a college dorm on the NM Tech Campus with the other campers, dorm moms, counselors, and our staff nurse. You'll have a roommate too.

The NM Tech cafeteria provides meals with a variety of good food guaranteed to please different tastes and dietary needs.

[techtrenm@gmail.com](mailto:techtrenm@gmail.com)

### What do I need for Tech Trek?

Curiosity Excitement  
Interest in Learning New Things  
Willingness to Participate  
Sense of Humor

**YOURSELF!**

*2023 Geocaching on Campus*

*2023 Engineering Design*

### Comments by former campers:

"I learned to be persistent in everything I do. I learned to speak up for myself and have confidence in myself."

"I learned that you can have as much fun as you want and you can never be too smart - there's always something else to learn."

"My camp experience changed my feelings about myself and STEM classes in a good way."
